HWDSB
BE YOU. BE EXCELLENT.

The Hamilton-Wentworth District School Board acknowledges our presence on ancestral Anishinaabe and Haudenosaunee Confederacy land as determined by the Dish with One Spoon treaty.

The intent of this agreement is for all nations sharing this territory to do so responsibly, respectfully and sustainably in perpetuity.

We respect the longstanding relationships with the local Indigenous communities, the Mississaugas of the Credit First Nation and the Six Nations of the Grand River.

Before and After Care

- Before and after-school program (BASP) is planned for the new school
- Current wait list numbers are close to 20 for both kindergarten and grades 1-6 (Bellmoore and Shannen Koostachin)
- New school means increased capacity for before and after-school spaces in the Binbrook community--further reducing wait lists

Bell times and Transportation

- Bell times and transportation planning is part of process once new school boundary is approved.
- Changes will be centered on establishing bell time for new school
- Feedback to be communicated to transportation

Key Considerations for Boundary Options

Balance of Overall Enrolment

Optimal utilization of 90%-115% and balanced programs.

Temporary Accommodation

Maximize students accommodated in permanent capacity, do not exceed maximum portables on site.

Geographical Area and Barriers

Create geographically contiguous boundaries that consider physical barriers. Create stable long-term boundaries.

Transportation

Maximize safe walkability to schools and cost-effective transportation routes.

Student Experience

Minimize transition for students where possible, strive for K- 8 schools.

Other

Additional criteria based on review area, such as specific facility limitations (septic, well water, site size etc.).

BE YOU. BE EXCELLENT.
